There is to be no smoking, eating or drinking on the vehicle.

Shopping carts are not allowed on the vehicle.

All Demand Response and ADA consumers are required to wear seatbelts in accordance with Massachusetts General Laws *unless* there is documentation of a medical condition that prohibits their use. Refusal to wear seatbelt will be documented by the driver and the FRTA will not be held liable for injury as a result of this.

Who is Eligible?

The FRTA's Demand Response transportation service is for persons over the age of 60, eligible LifePath Clients, consumers currently living in a nursing home facility or Veterans with a disability rating of 70% or greater.

How do I access this Service?

Prior to being transported, an application for service needs to be completed and approved by the FRTA office. You may obtain a copy of our application by calling (413) 774-2262 or download it from our website: www.frta.org. Once approved, a Demand Response information packet will be forwarded to you related to this service.

When is the service available?

Currently, service is available Monday through Thursday between the hours of 8:00am and 4:00pm and Fridays 8:00am until noon. No medical rides are booked before 9:00am or after 2:00pm.

How do I schedule a trip?

You must call the Shelburne COA at **(413)625-2502** at least 48 hours in advance (not counting weekends or holidays) to book your ride. We make every attempt to accommodate each trip; however, there are instances where we may not be able to

schedule your trip due to peak hours or other circumstances beyond our control.

What if I need assistance?

Our Demand Response service is curb to curb. Our drivers will assist you onto our vehicle and again when disembarking from the vehicle, but cannot assist you into buildings or your home. Drivers are not to assist with groceries or other parcels, we ask that you bring only what you can carry. If you need assistance, the FRTA allows you to have someone to travel with you. *There is an escort/PCA fee of \$.75 for each trip and they must be there to assist the passenger with the trip (not there to do their own errands).* If you choose to bring a friend or companion, they will pay the same fare as you. Simply notify dispatch that someone will be accompanying you on your trip.

All of our vehicles are wheelchair accessible and have lifts to accommodate our mobility disabled consumers.

What if I have an emergency?

The FRTA is not in the position to provide emergency transportation. If your situation requires immediate medical attention, you should call 911. An attempt will be made to accommodate next day or same day trips; however, it is not a guarantee that transportation can be provided.

How do I pay for my trip?

You must pay for your trip with cash as you board the bus. The drivers are unable to make change, so please pay with the exact fare.
